

Refund Policy

Last Updated: June 2026

Digital Products

Due to the nature of digital products, refunds are generally not available once a digital resource has been downloaded or accessed.

Exceptions

Refund requests may be considered if:

- The customer was charged multiple times for the same product.
- The purchased file is corrupt or inaccessible and cannot be replaced.
- A technical error prevented delivery of the purchased product.

Refund requests must be submitted within 7 days of purchase.

Contact

For refund enquiries, please contact us through the website contact page and provide your order details.
